APPRENTICESHIP SCHEME 2023”**

The aim of the Apprenticeship training is to enhance the employability of the youth. Apprenticeship Training gives an opportunity to the Apprentice to undergo On Job Training and are then exposed to real working conditions.

The “Goa Chief Minister’s Apprenticeship Policy for Government Establishment-2023” was launched for Government Establishments with the objective of increasing the employability of the youth of Goa and to encourage participation of Government Establishments and Public sector in line with Apprenticeship Training Scheme for those youth having fifteen years residence in Goa. The minimum rate of stipend payable to apprentices per month engaged under this policy ranges from 8000 per month to 13000 per month based on the qualifications stipulated in the curriculum. The monthly stipend paid to the Apprentices engaged in private sector under National Apprenticeship Promotion Scheme ranges from 5000 per month to 9000 per month based on qualifications.

Engagement of Apprentices under Goa Chief Ministers Apprenticeship Policy for Government Establishment-2023 is a continuous process as Apprentices can be engaged as per available opportunities in the Departments / Establishments as and when they arise.

Candidate registration on National Apprenticeship portal is one time task. Once the candidate is registered on the portal, he/she can then login every time using the same credentials. The Candidate can then apply for opportunities as and when they are created on portal using his pre created account. Duration of training period is either one year or as per the duration of trade whichever is higher as stated under “Goa Chief Ministers Apprenticeship Policy for Government Establishment-2023”. As per Apprenticeship Rules 1992, Extension of Apprentices can be initiated in extraordinary situations, if unable to take the final test owing to illness or other circumstances beyond his control to cover up training missed up during such period.
